Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative proposed response to the outstanding office action indicated that a petition to include color drawings together with 3 copies of such color drawings and an appropriate amendment to the brief description of the drawings would be filed. Examiners indicated that this was likely to resolve the objection to the drawings, but would review the drawings when filed. Applicant's repr. also proposed amending claims 1, 16, 22 and 35 to include the subject matter previously indicated as allowable in claim 21. Examiners agreed that the proposed amendment appeared to place these claims in condition for allowance..
